

CHECK OUT THE HOTTEST CELEB PICS THIS WEEK

On Tuesday, October 10, 2017 in the newly revamped Ziegfeld Ballroom in NYC, guests celebrated an amazing evening at the Annual QVC Presents "FFANY Shoes on Sale" gala. Mandy Moore attended the event wearing an Adam Lippes dress and Casadei shoes. This is the largest annual fundraiser in the footwear industry and to date this initiative has raised over \$53 million to fund "first-step" breast cancer research at some of the nation's leading research organizations.
